IMPORTANT NOTICE

The order of the Standard Catalogue of U. S. Coins and the Standard Paper Money Catalogue has been followed in this catalogue. So that collectors may have a quick guide to value we have placed after each lot the 1944 catalogue valuation. This valuation is by no means a limit or reserve. Where a definite valuation has not been given in the catalogue for condition quoted it has been averaged.

CONDITIONS OF SALE

5. The authenticity of the coins is guaranteed by the Cataloguers but all claims must be made within thirty days.
6. We charge no commission for purchasing at our sales.

WARTIME EDITION

This miniature catalogue is our solution to the wartime transportation delays which affect second class mail and which have resulted in catalogues being delivered after the closing date of the sale. By reducing the size of the catalogue we are able to send it by first class mail and assure you of prompt delivery. You may possibly find the new size a convenience, as well.

It is interesting to note that a new postal law in England prohibits the distribution of free catalogues to collectors. The burden placed upon railways and postoffices by war may eventually be lightened by similar laws in the United States.
